Season is April 1st through November 15th; seven days a week (with the exception of Easter Sunday)

**Launch Service:** Hours are 8:00am to 4:30pm\*

\*During the work week, **Mon-Fri**, if you intend to use your boat after hours, please call the office **by 4:00PM** to have your boat launched before we close. On weekends, we are not able to take launch requests by phone.

**Winter Season:** November 16<sup>th</sup>-March 31<sup>st</sup> – No In & Out Service

Boats to be kept in boatel over the winter season must have all necessary service work (winterization, shrink wrap, etc.) completed by November 15th. Any boat that needs to be brought down from the boatel racks for any reason after November 15th (if not blocked in by other boats that are wintering with us) may be subject to an additional fee; rates vary on a case-by-case basis.

Shrink Wrap Disposal: \$0.50/ft (customer or contractor is responsible for removing shrink wrap from boat)

**Work Racks:** are available upon request. There is access to water & electricity for your use; tools or hoses are not provided. If you are in need of more extensive work, please contact the office to discuss the type of work needed so we can determine if the work rack is suitable.

Departure: For billing purposes it is imperative that you formally check out with the Main Office to discontinue Boatel service.
